Experiência

Fliplet

5 anos 4 meses

Frontend Developer and UI Designer

fevereiro de 2018 - Present

London, Greater London, United Kingdom

As part of the Fliplet's Growth team, my key responsibilities are to help our customers grow and produce more apps that makes them successful.

Having helped the Product team develop Fliplet and its features, I have an extensive knowledge about the product to be able to help our current and new clients to be successful.

My skills in Design and new Frontend development technologies help me produce the best apps for our products and help the Product team creating new features that we think will be beneficial for our clients.

Product Designer
outubro de 2015 - fevereiro de 2018 (2 anos 5 meses)
London, United Kingdom

Designing and developing product features and providing the best experience to our clients through an easy to use and to understand user interface.

Junior Designer & Front-end Developer
março de 2014 - outubro de 2015 (1 ano 8 meses)
London, United Kingdom

In this role the key responsibilities are to design user interfaces for Fliplet, to produce the best user experience, design marketing material, and develop new functionality and enhance existing ones.
Following a creative process to ensure every project gets done with outstanding quality.
Inspiration manager is another responsibility, to ensure the team is up-to-date with trends, new mobile layouts and best use and practice of new user interfaces.

Understandesign
Freelance Web Designer and Front-end Developer
fevereiro de 2012 - março de 2014 (2 anos 2 meses)
United Kingdom

Freelancing for a little over two years, which resulted in having gathered some knowledge about the design and web development market in London, achieving the deadlines even when not used to the technology, and improved the management skills.
Key responsibilities were, design bespoke websites and marketing graphic material, develop fully functional and intuitive websites and Web applications as well as acting as Sales and Marketing manager.

XTEMAS
Graphic and Web Designer

março de 2009 - novembro de 2011 (2 anos 9 meses)
Guimarães - Portugal

Lead Graphic and Web Designer at XTEMAS.
Responsible for doing all the graphic work and web layouts for new and existing clients, as well as develop all the front end of client's websites.

LUSOINFO
Internship - Graphic Designer and Illustrator
setembro de 2008 - fevereiro de 2009 (6 meses)
Maia - Portugal

Part of a team of Designers and Illustrators.
